

CYO Volunteers Needed

The CYO Program is in need of volunteers for a few positions. The only way the Program can be effectively managed is with an adequate number of volunteers who take ownership of a particular area and have a general knowledge of the overall Program. The following is a list of all positions (not including coaches) with the vacant positions identified:

- Director - Brian McMearty
- Communications - Theresa Quintois
- Registrations - Theresa Quintois
- **Treasurer - Vacant**
- **Uniform Coordinator - Vacant**
- Ink Cartridge Coordinator - Jackie Reilly
- End of Year Banquet - Anita Leva
- **Fundraising Coordinator - Vacant**
- **Newsletter Coordinator* - Vacant**

* This year the CYO would like to prepare a CYO newsletter at the end of each season - fall (soccer & volleyball), winter (basketball), and spring (softball, baseball and track). This will be prepared by the children and for the children. It will include team highlights, game summaries, profiles, upcoming events, etc. This effort requires an adult volunteer to coordinate the entire process and work with the children that would volunteer to do the interviews, writing, pictures, etc.

If you are interested in helping the CYO and filling any of the vacant positions listed above, please contact Brian McMearty at 215-379-0696 or bmcmearty@deloitte.com
